Administrative Assistants, General Agency
Office Personnel, Episcopal, District and
Annual Conference Office Personnel

Why should you attend?

The Institute provides outstanding advanced professional training and enrichment for United Methodist church secretaries from across the denomination. A participant who completes the program and meets the requirements set forth by the General Council on Finance and Administration is eligible to apply for certification as a Professional United Methodist Church Secretary.

How does the church benefit?

The five-day PAUMCS Institute is designed to stimulate professional growth and development of the individual. Participants are introduced to business concepts required for understanding the financial operations of the church as well as relationships with the pastor, church employees and members of the congregation. Studying such concepts with professors selected from a strong business school faculty and other experts encourages secretaries to become better informed and more effective church administrators.

How do other church offices benefit?

The experience of learning with local church secretaries and networking with others in similar office settings provides a broader understanding of the connectional United Methodist Church. Church secretaries learn the functions of district, conference, agency and episcopal offices, while these various office personnel learn about the many responsibilities of a local church secretary. It is a place to see how all members of the church body are in ministry together.
