*The Book of Discipline, 2008:*

Paragraph 258.2g(11) - It is the duty of the PPRC "...to confer with the pastor and/or other appointed members of the staff if it should become evident that the best interests of the charge and pastor(s) will be served by a change of pastor(s). The committee shall cooperate with the pastor(s), the district superintendent, and the bishop in securing clergy leadership. Its relationship to the district superintendent shall be advisory only."

We understand that as United Methodists we covenant to be in itinerant ministry, and we shall affirm and support either the reappointment of our present pastor or the appointment of another pastor, as the bishop and cabinet may prayerfully discern. However, as part of the ongoing evaluation of both our current pastor's ministry and the ministry of our charge, we express the following preference:

1. We prefer the reappointment of our pastor for these reasons:

2. We prefer that another pastor be appointed to our charge for these reasons:
