**“Making disciples  
of Jesus Christ  
for the  
transformation  
of the world”.**

Every church is invited to join in growing in discipleship and disciple making in 2010 by utilizing:

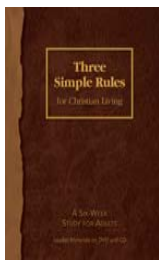

## ***THREE SIMPLE RULES***

\*\*\*\*\*

## ***TRANSFORMED GIVING***

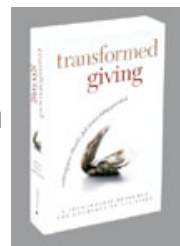

\*\*\*\*\*

## ***THE ALPHA COURSE***

The **THREE SIMPLE RULES** is a study based on Bishop Reuben Job's book which explores an understanding of and a practical application of the historic General Rules of The United Methodist Church as set forth by John Wesley. These rules are: (1) *Do No Harm*; (2) *Do Good*; and (3) *Practice The Ordinances Of God*. Bishop Job says that these rules, embraced and embodied are transformational for us and for the world. Resources for this study include Bishop Job's book, leaders material on DVD and CD-ROM and a study guide for children, youth and adults.

**TRANSFORMED GIVING** is a 40-day stewardship program developed by Dr. John Ed Mathison that focuses on our baptismal vows of prayers, presence, gifts, service and witness. This program focuses on the gifts and talents of each person with an emphasis on growing spiritually and transforming one's level of commitment.

**TRANSFORMED GIVING** is adaptable to any size church, and walks pastors and stewardship teams through organizing and conducting a 40-day study and concurrent financial campaign. The **TRANSFORMED GIVING** kit includes a copy of the book, a participant's workbook, leaders guide with DVD, campaign handbook and campaign media resource.

The **ALPHA COURSE** is a 10-week study that seeks to reach out and engage generally un-churched or nominally churched persons in an exploration of the basics of the Christian faith. In a relaxed, friendly setting each session involves eating together and learning together as the Christian faith is explored. A small group can meet in a home or a large group can meet in a church facility. The **ALPHA COURSE** includes materials on DVD, manuals and all of the resources needed for promoting and leading the course.
